

01 Wine & Spirits Sourcing

Match a genuine commercial brief with the right product, producer and route to market.

BEST SUITED TO

Buyers, importers, distributors, brand owners and producers seeking a focused commercial connection.

OUTCOME

A credible route from a defined requirement to the right commercial conversation.

WHAT IT CAN INCLUDE

- Buyer brief interpretation and product matching
- Bottled, bulk, bag in box and private label opportunities
- Spirits sourcing through authorised production partners
- Producer selection, samples and commercial coordination

WAYS TO WORK WITH US

Buyer sourcing **No upfront brief fee**

Submit a brief, review suitable options and enter a focused producer discussion.

Producer opportunity **Agreed per opportunity**

A qualified buyer opportunity, protected introduction and commercial coordination.

HOW IT WORKS

01 Share the brief	02 We qualify and match	03 Review the options	04 Progress the right fit
-----------------------	----------------------------	--------------------------	------------------------------

START WITH A CLEAR BRIEF

Share the five essentials below. We use them to screen suitable producers and avoid sending a broad, unfocused catalogue.

Product or style	Target price	Packaging	Volume	Market
------------------	--------------	-----------	--------	--------

Scope Samples, freight, laboratory work, product development, duties, registrations and other third party costs are confirmed separately. Buyer identities remain protected until the relevant written terms are in place.
